PROFESSIONAL EXPERIENCE

Brand Creative, Creepy Studio

Feb 2023 – Present

Brands and branded e-commerce for companies scaling internationally

- Built brands from category and competitor research through to proposition, naming, verbal and visual territory and manual, most recently naming a public seating brand launching across Europe.
- Developed the concept for a sneaker launch with a Czech Grand Designer of the Year and directed it through production, coordinating the designer, film crew, PR agency and paid media: 836,700 views, 79% organic, 3.9x ROAS.
- Wrote a communication concept and claims for a furniture brand, then briefed and rebuilt the ad creative around them; the lead creative ran 26% below the account benchmark on cost per purchase.
- Created the distinctive brand asset concept for a functional kidswear brand, measured a year later at 64% distinctiveness on the symbol and 14% growth in awareness.
- Lead photographers, videographers, copywriters and designers; own weekly client calls, quarterly roadmaps and monthly reporting; mentor and oversee junior team members; and built the studio's AI-assisted research systems, now embedded across every account.

Guest Lecturer, Tomas Bata University
